Saturday and Sunday
November 7th-8th
9 am—4 pm
Property Office

Experienced trappers from the Indiana State Trappers Association along with Indiana Conservation Officers will provide hands-on training and instruction. The trapper's education course can help prepare you for safe and successful trapping experiences by providing hands on trap setting and fur handling. Each class provides information about the art of trapping furbearer animals; trap selection, preparation and maintenance; furbearer biology; scouting for furbearer signs; and fur handling. Rules and regulations, safety, sportsmanship and ethics are also covered. This course is offered free of charge and open to all ages. Students under 12 years of age must be accompanied by an adult. Both days, lunch will be served by the ISTA.

Space is limited. To register, go to <http://www.register-ed.com/events/view/68282>
